Special dietary considerations

If your child is on a diet that has special requirements, including preparation for a procedure, menu choices may be modified or restricted.

To assist you in making a healthier meal choice, there are symbols throughout the menu to indicate:

- Cover saturated fat/lower salt options
- Lower glycaemic index carbohydrate choices
- **#1** Carbohydrate serves
- Gluten free options are available for many menu items.

Our Room Service Call Centre will assist you to make appropriate selections for your individual needs.

Food allergy concerns

Products with precautionary allergen statements such as "may contain traces of..." may be included in menu items offered for allergy diets (gluten, nuts, soy, egg, milk and seafood).

Please discuss any concerns regarding specific food allergies with the Room Service Call Centre on 3663.

Patients on most diets are also able to order via their bedside terminal. Please be mindful there are limits on the number of items able to be ordered—if there are any questions about this process, please call the Room Service Call Centre on 3663.

At times the Room Service Call Centre experiences a high volume of calls. During these busy times, patients are able to request a call back. Please listen to the prompts and press the "*" key during the prompt and wait to hear the confirmation message to enable this feature and one of our team will return your call as soon as possible.

brisbane

Room service **menu**
