About the Role: The Mater Private Hospital Rockhampton is seeking an ENT Surgeon to join our team in providing much needed services to the community of Rockhampton and surrounding regions.

As an ENT Surgeon you will provide high quality specialist ENT inpatient and outpatient services. You will have a high level of autonomy and responsibility whilst servicing a diverse patient mix. You will provide expert surgical services with full support from the hospital, providing specialist ENT services including diagnosis and surgical intervention where required. This role is ideal for a doctor who is ambitious to contribute to the growth of an existing and well established private practice.

We offer:

- A negotiable salary
- Salary packaging opportunities
- A supportive and innovative workforce
- Strong professional and social networks
- An opportunity for the establishment of private practice
- An incredible lifestyle

The successful applicant will have:

- Specialist medical training as a ENT Surgeon
- Fellowship of the Royal Australasian College of Surgeons
- Registration as a Specialist with the Medical Board of Australia
- Experience as a practising ENT Surgeon

If you are interested and wish to explore working within a caring, compassionate clinical setting focused on excellence in patient care and employee experience then contact Sue Thurbon. Alternatively, head to our website at <https://www.mercycq.com/mh/careers> and submit an application or make an enquiry about the role.
