

Private Clinic Pathology Out of Hours

Your doctor has requested that you have pathology performed at a time outside normal clinic hours.

To access this service, please follow the instructions below:

1. Please present to the Mater Private Emergency Care Centre. The emergency centre is located at:

Ground Floor Mater Private Hospital Brisbane
301 Vulture Street
South Brisbane

The Mater Private Emergency Care Centre is both well signed and lit.
Parking is available at the front door for free.

2. Present your pathology request form to the Mater Private Emergency Care Centre receptionist. This is the form your doctor provided and will let the phlebotomist know what tests are required.
3. Advise the receptionist that you have been asked to present for a blood test and request that they contact the Mater Phlebotomist on hospital pager number 0132 to alert the phlebotomist on duty.
4. Please take a seat in the waiting room. The receptionist will page the phlebotomist on duty, who will attend to you as a matter of urgency.

For further information, please telephone Mater Pathology on 07 3163 8500 or your local centre during business hours.
