Special dietary considerations

If you are on a diet that has special requirements, including preparation for a procedure, your menu choices may be modified or restricted.

To assist you in making a healthier meal choice, there are symbols throughout the menu to indicate:

- ♥ Lower saturated fat/lower salt options
- GI Lower glycaemic index carbohydrate choices
- #1 One carbohydrate serve = 15 grams of carbohydrate
- GF Gluten free options are available for many menu items.

Our Room Service Call Centre will assist you to make appropriate selections for your individual needs.

Food allergy concerns

Products with precautionary allergen statements such as "may contain traces of..." are not included in menu items offered for allergy diets (gluten, peanuts, tree nuts, soy, egg, milk, sesame, fish and shellfish).

Please discuss any concerns regarding specific food allergies with the Room Service Call Centre on 3663.

Patients on most diets are also able to order via their bedside terminal. Please be mindful there are limits on the number of items able to be ordered—if there are any questions about this process, please call the Room Service Call Centre on 3663.

At times the Room Service Call Centre experiences a high volume of calls. During these busy times, patients are able to request a call back. Please listen to the prompts and press the "*" key during the prompt and wait to hear the confirmation message to enable this feature and one of our team will return your call as soon as possible.

Room service menu

Mater Health is pleased to offer room service. All meals are freshly prepared and can be ordered at your convenience and delivered to your room within 45 minutes of your request.

How to place an order

Please use the telephone at your bedside to call extension 3663.

A family member or carer can place an order on your behalf by calling 07 3163 3663 from outside the hospital.

Orders can be placed between 6.30 am and 7 pm.
