About the role

As a valued member of the Hospitality Services team you will contribute to the delivery of effective cleaning and hygiene services to delegated areas of the Hospital as well as prepare, assemble, and deliver patient meals.

What you'll be doing

Hospitality Services Assistant responsibilities include, but are not limited to:

- Regenerate and/or heat required food in accordance with food safety principles, facility Policy and Procedure and manufacturer guidelines
- Ensure all food is stored in accordance with food safety guidelines and facility policy and procedure.
- Prepare and deliver food for functions when required.
- Orientate employees to the food preparation areas and practices of the food services as required.
- Work on the tray assembly lines when required.
- Prepare and clear function rooms as required.
- Accept and respond to telephone requests for meals and beverages to patient care areas as soon as possible

- Ensure all equipment is utilised in accordance with manufacturer requirements and faults are reported in a timely manner.
- Operate cleaning and other associated equipment and materials in accordance with the manufacturer and/or supplier guidelines
- Assist in ensuring that cleaning and other associated equipment is functional at all times.
- Clean permanent structures, fixtures, equipment and non-fixtures as required in accordance with delegated directives of an appropriate authority and facility policies and procedures.
- Apply appropriate risk management principles and practices when carrying out duties (e.g. placing of caution signs, removal of electrical cords).
- Removal of waste, linen and other matter from designated cleaning areas as required.

About you

You will ideally have housekeeping and/or food services in a hotel or hospitality services work environment.

Other features for all positions include:

- Ability to work as a member of a multi-disciplinary team that understands that task completion impacts team deadline success;
- Being able to manage your time effectively to meet deadlines and recognise priority tasks;
- Be proactive and involved to ensure positive outcomes and foster a sense of engagement with patients, care givers, clinical teams and/or colleagues; whatever the case may be; and
- Digital and computer proficiency to complete online applicable learning and career development modules.

Other information

- You will be fully COVID-19 vaccinated by 31 October 2021 or commencement; whichever is the later.
- Candidates must be an Australian Citizen, Australian Permanent Resident or have a working Visa with no restrictions to be eligible to apply.
- You must be open to supporting the Hospitality team by undertaking any assigned task/job as required within your scope of expertise.
- Must be able to be rostered over 7 days in a week for day, afternoon and night shifts between the service delivery hours of 4.30am to 8.30pm.
