## What you'll be doing:

- Perform all general activities associated with meeting the service delivery expectations, with an emphasis on excellence in customer service, of the Department
- Accept and work towards the timely and successful completion of assigned tasks arising from allocated requisitions
- Adhere to manufacturer's instructions, organisational policy, Codes of Practice and/or legislative requirements in regards to the operation, handling and storage of tools, materials and associated items;
- Identify hazards, faults and damaged plant or equipment and assign for repair
- Assist in the management and provision of facility linen and waste management as required;
- Fulfil required corporate, mandatory and professional development and competency requirements within stipulated timelines;
- Taking ownership of the day to day maintenance of the gardens at Mater Hospital and Mater Day Unit

## About you:

To be successful in this role, you will demonstrate the following criteria:

- Previous experience in a hospital or maintenance/landscaper role;
- Excellent communication skills and manner
- Ability to recognise and prioritise tasks effectively; and
- Ability to engage with a variety of people.
- Bearer of a current "c" class manual license
- A commitment to adhering to the Mater immunisation requirements, which includes being fully vaccinated against COVID-19 and providing appropriate evidence as prescribed by [Services Australia](#) prior to commencement;
- Australian Citizenship, permanent residency, a current work Visa with no restrictions
