

## Clinical Facilitator – Mater Private Hospital, Mackay

**Job no:** .....

**Work type:** Permanent full time / part time

**Location:** Mater Private Hospital, Mackay

**Categories:** Education & Training

### About the role

Applications are invited from motivated, enthusiastic and experienced Registered midwives with a commitment to clinical coaching and a keen interest in education and professional development, to fill a **Clinical Facilitator** position in a **permanent full time / part time** capacity at Mater Private Hospital, Mackay.

The Clinical Facilitator is supported by the Education Coordinator of the Mater Private Hospital, Mackay Practice development team and Mater Education. We are seeking motivated midwives with consolidated and recent clinical experience who are interested in providing support and educational opportunities to novice and experienced staff within the Mater Private Hospital, Mackay. The position is for a midwife who is willing to challenge their own professional scope of practice in an education role, whilst further developing and supporting their team members in a best practice model of care.

### What you'll be doing

This opportunity will encompass wide and diverse coordination, provision and monitoring of unit-based and organisation-wide education, including

- bedside clinical coaching
- clinical skills development and competencies
- on-line learning support & face to face mandatory resuscitation assessments
- revision and implementation of new policies and models of care
- identification, implementation and evaluation of best practice models
- assisting with development and facilitation of simulated learning opportunities

### About you

The successful applicant will possess and demonstrate quality communication skills and professional role modelling.

Further, you will possess:

- Current AHPRA registration as a Registered Midwife (no restrictions)
- 5 years' experience in Midwifery

Desirable Requirements:

- Clinical supervision competency or preceptorship course
- Certificate IV in workplace training & assessment or post graduate qualifications in teaching/education
- Sound computer skills- MS word, power point and excel

For further information specific to the role, please contact Mereen Chandy, Interprofessional Education Manager on 07 3163 5119 or [mereen.chandy@mater.org.au](mailto:mereen.chandy@mater.org.au) or visit the Mater careers page.

Application closing date: **Sunday 9<sup>th</sup> May 2022.**
