Mater Medical Officers Enterprise Agreement 2025

Enterprise Agreement – Summary of Changes

This document identifies key changes between the nominally expired *Mater Medical Officer Enterprise Agreement 2023* (AG2024/2084) and the proposed *Mater Medical Officer Enterprise Agreement 2025* (proposed EA).

For information on full terms and conditions, you are encouraged to refer to the proposed EA document. The numbers in brackets throughout this document (e.g., “[1.1]”) refer to clause numbers in the proposed EA.

This document does not seek to explain entitlements and conditions not altered, or trivial differences between the proposed agreement and the Award, or trivial changes in the Award (such as renumbering).

While care has been taken to ensure the information below is as correct as possible, the sources of truth are the proposed EA and *Mater Medical Officer Enterprise Agreement 2023*. You should review the document to confirm the specific term or condition within the proposed EA or *Mater Medical Officer Enterprise Agreement 2023*.

You can access the entire proposed EA [here](#), and the *Mater Medical Officer Enterprise Agreement 2023* [here](#)

Format and Grammar

Grammatical and administrative amendments have been made throughout the document to improve readability and clarity.

Part 1 – Preliminary

Title [1.1]

Title to be *Mater Medical Officers Enterprise Agreement 2025*. This change is to reflect the new operation date.

Date and Period of Operation [1.2]

Commences 7 days after Fair Work Commission approval with a nominal expiry of 30 June 2028. This change is to reflect the new nominal expiry date.

Relationships with Awards, Agreements and Other Conditions [1.4]

The proposed EA replaces the *Mater Medical Officer Enterprise Agreement 2023* (AG2024/2084).

Definitions [1.9]

The definitions clause has additions and updates in the proposed EA, including the following:

- Agreement [1.9.1(b)] – updated to reflect the new title of the *Mater Medical Officers' Enterprise Agreement 2025*
- Amended to more succinct references to relevant schedules. [1.9.1(c) and (d)]
- Immediate family [1.9.1(e)] - amended to include former spouses and former de facto partners.

If you have any questions, you are encouraged to speak to your Manager or Director.
Alternatively, you can contact the Industrial Relations team on
email: IndustrialRelations@mater.org.au.

- Mater Medical Officer [1.9.1(h)] – amended to reflect removal of inclusion of RMOs and CCMOs in the amended Schedule 2.
- Resident Medical Officer [1.9.1(m)] – amended to reflect inclusion of RMOs and CCMOs in the amended Schedule 2.
- Senior Medical Officer [1.9.1(n)] – amended to reflect renumbering of the schedule and to provide a more succinct reference to the relevant schedule.

References to the amended “Schedule 2 – Resident Medical Officer (RMO) and Critical Care Medical Officer (CCMO) Terms and Conditions” have been updated throughout the proposed EA, as relevant.

Mandatory Terms

The proposed EA includes the following clauses as required by the *Fair Work Act 2009* (the Act):

Prevention and Settlement of Disputes [1.10]

Flexibility Term [1.11]

Consultation [1.12]

These clauses in the proposed EA are based on the model clauses outlined in the Act. Changes in the above clauses reflect the current Fair Work Commission model clause wording.

Part 2 – Basis of Employment

Part Time Medical Officers [2.2]

Medical leaders' allowance is included in the list of allowances that apply in full when working part time.

Casual Medical Officers [2.3]

Simplification of the casual Mater Medical Officer definition language.

Part 3 – Wage and Salary-Related Matters

Wage [3.1 and \$1.4, \$2.17, \$3.20]

In negotiating an EA, the proposed EA includes that Mater must balance the interests of employees by providing fair market remuneration and conditions whilst also managing costs to ensure Mater's sustainability into the future.

The proposed EA provides a wage increase in each year of the proposed EA. The wage rates are outlined in the relevant schedule of the proposed EA.

If the vote is approved, all employees covered by the proposed EA and employed at the time the proposed EA comes into operation will receive payment as per the dates in the relevant table.

Part 4 – Leave

Compassionate Leave [4.12]

Inclusion of miscarriage and stillbirth in eligibility for compassionate leave.

Ceremonial Leave [4.14]

Introduction of ceremonial leave for all Mater Medical Officers.

Suspension [4.16]

Inclusion of suspension without pay in accordance with procedural fairness provisions, which are outlined in the clause, and restricted to the following serious situations:

1. there is prima facie evidence of serious misconduct of such gravity that continued duty would pose a significant risk to reputation, safety, service delivery, or regulatory compliance; or
2. the employee is charged with a serious offence; and
 - a. the employee is unable to perform their role as a consequence of the charge or related proceedings; or
 - b. Mater's brand or reputation may be damaged if the employee is allowed to continue working while the relevant legal proceedings progress; or
3. the employee is unable to perform the inherent requirements of their role due to professional registration requirements lapsing, being suspended or conditions being imposed that are unable to be met by Mater or the employee.

Public Holidays – Work Performed on a Public Holiday [4.18.2]

Inclusion of option for mutual agreement to work a public holiday for payment at ordinary rates and accrual of time off at 50% of the time worked.

Public Holidays – Work Performed on a Public Holiday [4.18.4]

Inclusion of option for mutual agreement to work an Easter Saturday or 25 December for payment at ordinary rates and accrual of time off at 150% of the time worked.

Part 13 – Development of Initiatives

Development on Initiatives [13.1]

Development of initiative provisions for Senior Medical Officers are provided for within Schedule 3 Senior Medical Officer (SMO) Terms and Conditions.

Part 15 – Union Related Matters

Workplace Delegate’s Rights [17]

Changes to the clauses to reflect the current Fair Work Commission model clause wording.

Clause name change from “Union Related Matters” to “Workplace Delegate's Rights” to align with current model clause wording.

Schedule 1 – Career Medical Officer (CMO) Terms and Conditions.

This schedule outlines CMO specific terms and conditions.

CMO: Wages table

CMO Wage Table [S1.4]

CMO wages in the table below will be effective in the first full pay cycle on or after the date indicated:

Career Medical Officer (CCMO)				
		01/07/2025	1/07/2026	1/07/2027
Description	Paypoint	\$/Hour	\$/Hour	\$/Hour
Career Medical Officer	CMO	\$147.8050	\$151.5001	\$155.2876
Career Medical Officer	Locum	\$181.20	\$186.35	\$191.00

Schedule 2 – Resident Medical Officer (RMO) and Critical Care Medical Officer (CCMO) Terms and Conditions.

This schedule outlines RMO and CCMO specific terms and conditions.

Clauses throughout the proposed schedule are amended to reflect the inclusion of CCMOs into the terms and conditions that previously applied only to RMOs.

RMO and CCMO: Overtime

Overtime [S2.7]

Inclusion of overtime that does not require prior approval where the work is necessary and it would be clinically unsafe for the RMO/CCMO to cease work and seek approval.

RMO and CCMO: Recall

Digital Recall [S2.9]

Inclusion of digital where the RMO/CCMO is recalled to perform duty and is able to perform that duty using appropriate (meaning suitable or right for a particular situation or occasion) digital resources without the need to leave their residence and/or without the need to return to the facility.

"Digital recall" refers to any work that involves both of the following:

- Accessing and reviewing clinical documents; and
- Creating records containing patient medical information

This includes but is not limited to:

- Documentation of care or treatments received; and/or
- Test results; and/or
- Diagnoses; and/or
- Medications administered; and/or
- Clinical decision making.

Records created or modified must be contemporaneously accessible at a Mater campus at the time of creation or amendment.

RMO and CCMO: Classification Structure, Appointments, Increments and Progression

Classification Definitions [S2.11.1] and Classification Structure [S2.11.2]

Inclusion of both RMOs and CCMOs in the classification definitions and structure.

CCMO: CCMO Medical Emergency Calls

Classification Definitions [S2.18]

Introduction of CCMO Medical Emergency (ME/MET) Call Allowance for CCMOs whose contract does not provide for a Medical Emergency Call allowance.

The proposed EA includes that where an eligible CCMO is required to carry out a ward initiated Medical Emergency (ME) call, the CCMO will be paid the following ME call rate per presentation in addition to their hourly rate of pay:

CCMO ME Calls		
First full pay period on or after approval of agreement by FWC	1 July 2026	1 July 2027

Schedule 3 – Senior Medical Officer (SMO) Terms and Conditions

This schedule outlines SMO specific terms and conditions.

SMO: Recall

SMO Digital Recall [S3.5.3]

The proposed EA introduces wording to provide greater clarity for the application of digital recall.

The proposed EA outlines that the term “digital recall” refers to any work that involves both of the following:

- Accessing and reviewing clinical documents; and
- Creating records containing patient medical information.

This includes but is not limited to:

- Documentation of care or treatments received; and/or
- Test results; and/or
- Diagnoses; and/or
- Medications administered; and/or
- Clinical decision making.

Records created or modified must be contemporaneously accessible at a Mater campus at the time of creation or amendment.

SMO: Professional Development Allowance

Professional Development Allowance [S3.6.1]

Proposed EA includes an increase in the SMO Professional Development Allowance, as per the table below:

SMO Professional Development Allowance		
First full pay period on or after approval of agreement by FWC	1 July 2026	1 July 2027
\$22,037.50	\$22,588.44	\$23,153.15

SMO: Wage and Salary Related Matters

SMO Medical Leaders Allowance [S3.17.2]

Medical Leaders, as defined in the proposed EA, will be remunerated within the relevant range detailed below:

Medical Leaders' Allowance						
Medical Leader Group	First full pay period on or after approval of agreement by FWC		1-Jul-26		1-Jul-27	
	Minimum	Maximum	Minimum	Maximum	Minimum	Maximum
