Multicultural Health Coordination Program

A health care coordination program for people from multicultural backgrounds with complex health and wellbeing needs

Program Aims

- Learn more about your health and wellbeing
- Get support to access services you need to improve your health

Who is the program for?

- People living in Brisbane, Logan and Ipswich City
- from a multicultural background
- complex health and social needs
- all age groups
- permanent residents and any other visa holder (except people in detention)

Activities

- Assessment of your health needs
- Health education on health conditions, medications, and health systems
- Help with referral to other services (Eg: housing, employment services, financial support, GPs and medical specialists)
- The program will work with your family and carers as needed.
- The program is free.

Where is the service?

The nurse will talk to you about where you would like to receive support.
